# BUDGET PLAN

Simplify Your Propane with Predictable Payments

**SALLEY'S PROPANE**

## How it Works

The Salley's Propane Budget Program spreads your annual propane heating costs over a set period of 12 months. Your payment amount is reviewed periodically throughout the year, and if necessary, will be adjusted based on your consumption and other factors. You'll also be enrolled in "Keep Full" monitored delivery to ensure a reliable supply of fuel.
