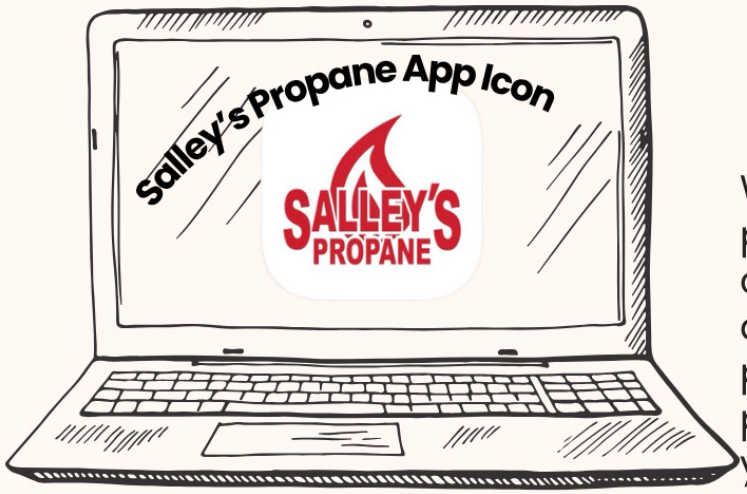
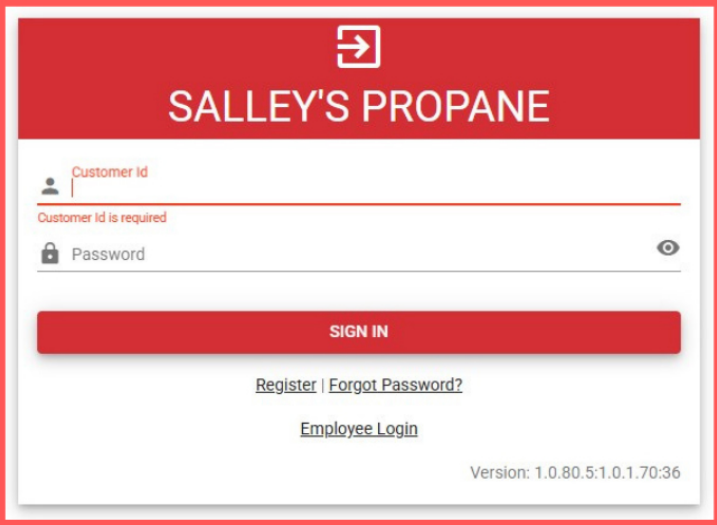
ONLINE WEB PORTAL

SCAN ME



www.salleyspropane.com

With out online web portal, managing your propane account is easier than ever. Customers can securely log in anytime to track propane deliveries, view monitor readings and tank percentages, request deliveries, and make payments all in one convenient place. Whether you're at home or on the go, the portal gives you quick access to the information you need to stay connected to your account. Follow the guide below to register your account and get started.



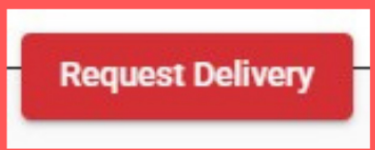
DON'T HAVE AN ACCOUNT?

You can access your account through our Salley's Propane App or through our website. Look for the "Account Login" then below that click "Register" or "Activate" depending on which method you access. There you will enter your account information and will be prompted to add an email and create a password. You will then use your account ID and Password to log-in to your account each time.

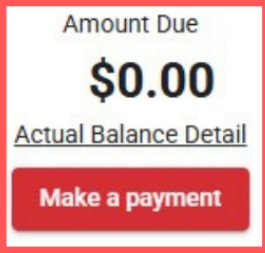
HOW IT WORKS

To **view** an accurate **tank reading**, and if you have a monitor look for this green tank to see what percent your tank is at.

To request a delivery



To make a payment



Need Assistance? Call our office staff and they will help guide you through your account. **816-690-4928**
